Operation Unity 2006!

• SATURDAY, JUNE 17th, 2006 • 10 am-4 pm • VETERANS MEMORIAL •

As we continue to support all of the brave men and women of our Armed Forces who are currently deployed in our defense around the globe, we must also step up to offer continued support to those right here at home, who have served in the military or are still serving and their families. In June, the City of Columbus is partnering with Federal, State, and County entities, and with military and veterans groups to host **Operation Unity 2006**, *a day-long event where veterans, those in the military and families can meet and get information on family services, education, employment, starting a small business, business loans, franchising, and medical services.* We hope you can participate in this important event.
